

Controversial Statements on the Topic of Bullfight

1. Bullfighting has a long tradition and has to be seen as part of the Spanish and Portuguese culture.
2. Killing a bull is just like killing any other animal.
3. Killing any animal belongs to the human nature.
4. We don't mind producing meat in animal mass production but care about bulls
5. Bullfighting without killing is a sort and splendid entertainment.
6. Fighting against a bull represents masculinity and the victory over a strong creature.
7. Bullfighting is nothing but nonsense and something from the middle ages that has to be stopped immediately.
8. Some animals like bulls or whales seem to provoke strong feelings, chicken and pigs obviously not.
9. The European Union even wants to stop traditions like bullfighting in the name of animal protection. Then we should stop hunting deers and hares as well.
